

In Loving Memory of Misty

This memorial is dedicated to Misty Nicole Sutton,
whose life was cut short, at the age of 18, by a Drunk Driver,
on February 11, 1999.

Always & Forever

Written by: Misty Nicole Sutton

***With a smile on my face I watch you go,
For however long I always know.***

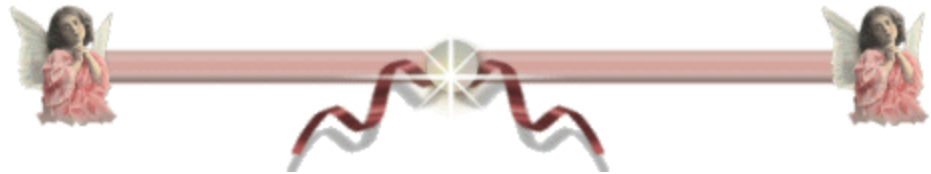

***There are so many things I want to say,
With knowing the words theres only one way.***

***I have so many dreams I want to share,
But being me I do not dare.***

*But now you are here, and I can say,
The way I feel day after day.*

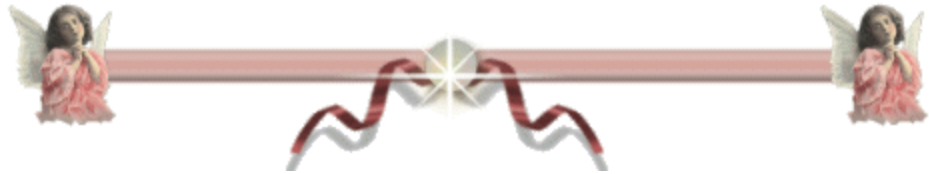

*Watching you sleep is such an easy thing to do,
It makes me realize how much I love you.*

*I've now found a way to make life better,
I've found love Always & Forever.*
